JNF Speakers Bureau August 2016

A Message from Speakers Bureau Chairman Robert Benedon:

I write my intro from vacation in Portugal and Spain. As we visited the Jewish quarters of Lisbon and Seville and were reminded of our tragic history, the importance of Israel and our work to support it becomes ever more evident. Summer Blitz has been a great success in the amount of both fund raising and friend raising. As national conference approaches, please make use of our visiting partners and speakers bureau. We are eager to speak on behalf of JNF, please use us.

I'm looking forward to seeing you in NYC. **Click here to register!**

Enjoy the last days of summer, Bob
