

Israel Bombarded by Rockets from Gaza. You Can Help.

In response to an escalation in rocket fire from Gaza into southern Israel that has closed schools and brought life to a standstill, Jewish National Fund is taking action to help the more than one million Israelis in cities and towns under attack.

Help JNF Bring a Sense of Normalcy to a Region Under Attack

Support the secure Sderot Indoor Recreation Center, a 21,000-square-foot, state-of-the-art bomb shelter for children of all ages.

- JNF is working with the mayor of Sderot to keep the center open 24 hours a day
- Now serving as a base for military and families in need of shelter
- Sleeping arrangements are being made
- Services for seniors are being offered
- Green Horizons, a JNF partner, is providing entertainment
- Food and drink will be provided

Support Friends of Israel Firefighters, the first responders to any crisis.

- Firefighters have been asked to be on call 24 hours a day
- They are the first on the scene to put out fires from the rocket attacks and respond to rocket-related accidents
- Support the ongoing need for upgraded firefighting equipment
- Send food to fire stations
- Let the firefighters know they're not alone

Many families have left the south and found refuge in Jerusalem. JNF is working to open the 800-seat auditorium in Heichal Shlomo in Jerusalem for free movies and cartoons for young children who have been taken away from their routine.

JNF-KKL has opened its campsite in Nes Harim in central Israel for families who have left the south and need a place to stay.
