

JNF's Tu BiShvat in the Schools Program

Celebrate Tu BiShvat. Plant a tree in Israel.

Tu BiShvat is the Jewish New Year of the Trees. Celebrate this festive holiday and connect your children to their roots by participating in JNF's Tu BiShvat in the Schools program. Planting a tree in Israel is a wonderful way to celebrate and observe Tu BiShvat. When your child participates in this program, they are following in the traditions of their parents and grandparents. Students will receive a beautiful JNF Tree Certificate to remind them of their connection to the land and people of Israel, a connection they share with their family and Jewish people everywhere.

Celebrate Tu BiShvat at home!

In addition to planting trees in Israel, there are many ways to also celebrate Tu BiShvat at home:

- Host a Tu BiShvat Seder using Branching Out: Your Tu BiShvat Haggadah. Printed copies are available for purchase, or you can download it for free from jnf.org/treesource
- Eat fruits that are grown in Israel as part of a family meal. On Tu BiShvat we traditionally eat the “Seven Species” as listed in Deuteronomy. They are: wheat, barley, vines (grapes), figs, pomegranates, olives and honey.
- Play games and read stories about Tu BiShvat and Israel at jnf.org/jnfkids

Ready to start planting trees?

For just \$18, you will receive:

- A tree planted in Israel in honor of the participating student and a personalized certificate.
- A Tu BiShvat sticker.
- A chance to help your school win great prizes. The more trees you plant, the more chances your school has to win!
- Also, additional trees can be planted for \$18 each. Please attach another sheet when ordering more than six trees.
