

## JNF Speakers Bureau June 2016 *Your Voice in Israel*

### *A Message from Speakers Bureau Chairman Robert Benedon:*

Hard to believe – Summer is half over but our work continues. “Summer Blitz” is in full swing as our Makor members and Campaign leaders traverse the nation closing gifts and building relationships.

Our National Conference is less than two months away and promises to be our best ever in the city that never sleeps. If you are not signed up, get on it. [Click here to register!](#)

With National Conference comes the largest numbers of our partners from Israel. Please be in touch with Cheryl to see about booking them leading up to and following the conference. The current schedule of confirmed visits is in this newsletter. They can showcase the work we do to make the lives of our brothers and sisters in Israel so much better. They are aware of our overall vision and how their partnership brings us closer to our goals. They are dynamic and motivating speakers and have become an integral part of the JNF Family. Help them help us by arranging that parlor meeting, one on one meeting, board meeting briefing, etc.

Wishing you all a wonderful last month of summer and I look forward to seeing you in NYC, Bob
