

JNF Speakers Bureau May 2017

A Message from Speakers Bureau Chairman Robert Benedon

This week we remembered our fallen heroes and celebrated the 69th birthday of our beloved homeland – Israel. May the events motivate us to continue our work and to dream big as did Herzl.

May is Women's Month - if you haven't already planned meetings for women donors our lay leaders listed below are available to speak. Makor members are eager to come to your region to solicit.

Summer blitz is right around the corner. Please let us know of your business and leisure travel plans as far in advance as possible so we can plan around your visit for parlor meetings and solicitations.

We should all be proud of the wonderful work we all do for Israel and here are 69 reasons to applaud - <http://blogs.timesofisrael.com/69-reasons-from-past-year-to-applaud-israel-on-its-69th-birthday/>
