Jewish National Fund (JNF) began in 1901 as a dream and vision to reestablish a homeland in Israel for Jewish people everywhere. Jews the world over collected coins in iconic JNF Blue Boxes, purchasing land and planting trees until ultimately, their dream of a Jewish homeland was a reality. Today, JNF continues to give all generations a unique voice in building and ensuring the prosperity of the land of Israel through their generosity and partnership with the people of Israel.

JNF embodies both heart and action; our work is varied in scope but singular in benefit. We strive to bring an enhanced quality of life to all of Israel's residents, and translate these advancements to the world beyond. JNF is greening the desert with millions of trees, building thousands of parks, creating new communities and cities for generations of Israelis to call home, bolstering Israel's water supply, helping develop innovative arid-agriculture techniques, and educating both young and old about the founding and importance of Israel and Zionism.

JNF is a registered 501(c)(3) organization and United Nations NGO, which continuously earns top ratings from charity overseers.

We Help Build Tomorrow, Today:

- **Forestry & Green Innovations**
- **Community Building**
- **Water Renewal**
- **Zionist Education & Advocacy**
- **Research & Development**
- **Heritage Sites**
- **Accessibility & Therapeutic Services**

JEWISH NATIONAL FUND gives all generations of Jews a unique voice in building a prosperous future for the land of Israel and its people.
