ISRAEL H₂O

A TOUR ON THE TRAIL OF ISRAEL'S WATER SOLUTIONS

November 29 - December 6, 2017

Professional Staff: Talia Tzour Avner, Chief Israel Emissary

IF YOU CARE ABOUT:

- A sustainable future...
- Cutting-edge water technology and solutions for water scarcity...
- A thorough examination of a country that knows how to manage its water and handle severe water crises...
- A country that holds a world record in recycling, is a leader in its water technology, companies and start-ups, and shares its expertise with the rest of the world...

This tour was designed for you!

WHAT'S INCLUDED

- 8 full days of touring with a private, expert, English-speaking guide
- Daily Israeli-style buffet breakfast, and most lunches and dinners
- Tips for guide and driver

And so much more!

PRICE

Coming soon!

TOUR HIGHLIGHTS

- Review of the country's natural water resources and how they are managed.
- Meet and network with top level speakers, researchers, and business leaders from various water authorities, companies, and more.
- Learn about geopolitics, hydropolitics and transboundary water management, and visit reservoirs, wetlands, desalination plants, river restoration, drillings, and more.
